International Millennium Consultants, Inc. (IMC) is a premier international staffing and consulting firm that has established a reliable market reputation for providing rapid and accurate solutions to our clients. IMC has expertise in Application Management, Application Design and Development, Solution Architecture and Architecture Planning, Technology Selection and Integration. Since 1997, IMC has supplied the best senior level talent in the Information Technology consulting industry to our clients, including top professionals with experience in Oracle E-Business Suite, PeopleSoft Enterprise, Oracle Fusion Applications, JD Edwards, Hyperion, Siebel, SAP, Microsoft, IBM, Virtualization, Networking, Storage and Database Management and Administration, Migration, Application Deployment, Integration Architecture, Project Management and more.

We have reputation for integrity, respect and professionalism. Our customized approach to providing workforce solutions brings outstanding results to both our public and private sector clients.

Core Competencies

Technology Expertise

On a consulting and staffing basis we focus exclusively on customer technology-specific skill-sets for all projects.

Industry Expertise

We use our Industry knowledge, functional knowledge, and domain knowledge are critical factors to deliver the ideal resource to our customers.

Geographic / Market Base Expertise

We utilizing our local recruiting resources and national recruiting & delivery teams to deliver IT contractors nationwide.

Sourcing Expertise

The ability to source the best candidates from unique sources.

Differentiators

20 years of experience, the ability to source 24 hours a day, our deep industry expertise and full-service capabilities enable clients to be agile, productive and ahead of the IT field and fills positions in virtually every industry.

With IMC:

Clients Have Choice - Personally further interview consultants if they choose

Clients Save Time - Our resourcing team manages time recruiting talent, reviewing resumes, screening candidates and scheduling interviews to produce quality candidates every time.

Clients have our Commitment - Client's success is our success, and we are committed to ensuring our client's meet their goals.

Clients get Value - IMC makes a point of understanding what determines value to our clients and linking it to our solution.

Clients get Competitive Rates - IMC allows clients to benefit from our industry expertise with little to no increase in client direct rates. By utilizing market conditions, IMC offers some of the most competitive industry rates to our clients for every consulting need.

Clients Benefit from our Integrity - We have a trusting relationship with all of our clients which allow us to better understand their business challenges so that we can offer more personalized business solutions for their goals.

Clients Benefit from our Fairness - We focus our business on building strong relationships with our clients based on honesty and fairness. We support this with the best service we can offer and a willingness to conduct business that is fair and equitable to all parties.

IMC consultants and permanent candidates are highly coveted for their specialized expertise, and have the innate ability to guide your internal teams and projects to achieve success in the most efficient manner possible.
